

REFUND POLICY

Your Order Confirmation is a record of our agreement to deliver the products ordered and paid for in full. If someone else made the booking on your behalf, you agree that such person acted as your agent.

Because of the nature of fast food delivery, refunds are given at the sole discretion of the branch manager.

Once an order has been placed and delivered by any of our branches, you must contact the branch directly if you have any complaints. The Delivery drivers are unable to deal with refunds. Your branch manager will investigate the matter, and if suitable they will rectify any errors or dissatisfaction as soon as possible.

In the event of Casa Bardotti needing to issue a refund we will endeavour to credit your account within 7 - 10 working days.
